Phone: 1-800-888-4213. www.transunion.com/myoptions.

General Information:

- Applicant on time for showing appointment, or timely call to reschedule (failure to do so results in denial of the application).
- Positive government issued picture ID for all adult (over 18 years of age or emancipated minor) occupants (failure to provide ID results in denial of the application).
- Fully completed application, without material omissions, for every occupant (over 18 years of age or emancipated minor), with no material misstatements or omissions.
- Demonstration of ability to pay complete deposit and prepaid rent requirements prior to occupancy (inability to pay the rent results in denial of the application – see income/credit requirements).
- Applications will not be reviewed until received in full. Groups of more than one applicant will not be considered until the applications from all members of the group are received.
- **NOTE:** Application fees to Landlord's tenant screening vendor must be received by that vendor before the application can be processed.

Income/Credit Requirements:

- General rule is that income/rent ratio from the applicant(s) intending to sign the lease must (collectively) equal or exceed 4.0. You may include alternative sources of income as defined in SMC 14.08. Except in the cases of rental housing subsidies falling within SMC 14.08.040(F), income that does not meet this threshold results in denial of the application.
- Proof of adequate income (or reserves) to verify ability to pay rent on time throughout the lease term (*select one or more*):
 - ☐ Verification of employment and salary/wages.
 - ☐ Recent paystubs from verifiable employer
 - ☐ Tax return copies for self-employed applicants.
 - ☐ Proof of regular investment earnings, social security or other form of governmental rental supplement.

- ☐ Any additional sources of income that applicant wishes to disclose (i.e. child or spousal support, trust income, financial reserves, etc...).
- ☐ Any rental subsidies which you wish us to consider.

NOTE: Exceptions to minimum income requirements are applicable for Section 8/subsidized applicants as provided in SMC 14.08.040(F).

- Credit Score of 700+ and favorable credit history free of negative credit issues which may indicate that the applicant has a pattern of failure to timely pay financial obligations. Any credit records shown on a credit report as delinquent, charged off or unpaid are grounds for denial of tenancy. Any open bankruptcy case(s) are grounds for denial of tenancy.

Rental History:

- For applicants with prior rental history, favorable references must be received from minimum of last two landlords (i.e., timely rent payment, no damage in excess of normal wear and tear, no documented rules violations, timely issuance of notices of intent to vacate and compliance therewith). Any negative history from a prior landlord is grounds for denial of tenancy.
- For applicants without prior rental history, adequate personal references for equivalent to two favorable past landlord references. Absence of such references will result in denial of the application.
- If your former landlord(s) do not respond to requests for information within 48 hours of being contacted, that will result in denial of the application due to unavailability of verifiable favorable rental history.

Additional Grounds for Denial of Applications (based upon civil court records, or references):

- Reasonable likelihood that a past history of abuse of alcohol may or will interfere with the health, safety or right of peaceful enjoyment by other members of the community.
- Reasonable likelihood that a past history of use of illegal drugs (or unauthorized use of legal drugs) may or will interfere with the health, safety or right of peaceful enjoyment by other members of the community.
- Reasonable likelihood that a past history of applicant or those acting under his or her control will interfere with the health, safety or right of peaceful enjoyment by neighbors or other members of the community.
- Reasonable likelihood that a past history of applicant or those acting under his or her control will cause damage or destruction to the dwelling unit or surrounding property.
- Reasonable likelihood based on income and credit that the applicant will not be able to timely satisfy the financial obligations of tenancy.
- Reasonable likelihood based on rental and personal history that the applicant may cause damage to the property, or become a nuisance to neighbors or the community.
- Due to unavailability of the Property. Even very well qualified applicants may be denied if another application for the property has already been approved. Please note that, while equivalent applications are processed in the order received, such other factors as the requested date of the commencement of tenancy, or an applicant offering a higher rent amount may result in priority of another application.

NOTE: In case of multiple applicants intending to share the property together, disapproval of one applicant terminates the application unless the non-disapproved applicant(s) elect to resubmit their application without the disapproved applicant.

NOTE: Applications are pre-reviewed in the order in which completed applications and the application fee are received. If applying as part of a group of residents planning to live together, the application is not complete until all proposed residents' applications have been received and the processing fee paid. After preliminary screening, applications which do not appear to meet our Rental Criteria will be notified and will not be passed along for further review. Applications which appear to meet our Rental Criteria will be moved forward for screening based upon the order received, excluding those applications which do not meet those Rental Criteria.

NOTE: We do not accept "comprehensive reusable tenant screening reports."

1. You must first have a tour of the interior and exterior of the building. Applications are not accepted unless all applicants have viewed the property. For applicants from out of the area, one member of the group of residents or another individual identified by the applicant must visit the property in person and use skype, facetime, or another interactive "real time" method of taking a virtual tour of the property on behalf of those not present in person.
2. Complete the online application [<https://norcanps.managebuilding.com/Resident/rental-application/>] and pay the application fee via credit or debit card (we do not collect or accept cash or check payments of application fees).
3. Send a confirming email to (hello@norcanps.com) so we know to look for your application. Include with the email a photograph of your government issued ID. An application without proof of identity is not complete.
4. Remember that all residents over 18 years of age must submit a separate application and in the case of a group of occupants, the application will not be considered to be complete until all members of the group have submitted their application.
5. If you are approved for tenancy, you must accept the offer within 24 hours in writing. An electronic lease will be provided. Your signature is required within 24 hours of receipt of the lease. Deposits are due within 48 hours of lease signing. If you wish to accept tenancy, you must agree to the occupancy and rent commencement date set forth in the offer you receive.
